

# ONE IN CHRIST

Week of May 10 – May 16, 2021

## Council's Note

To all the different types of Moms out there, a very happy (and belated) Mother's Day to you!

Since Mother's Day follows Easter, it is easy to make a connection between the two and think of Mother Mary. In this age of vaccines, doctors on speed dial, being able to Google symptoms and arrive at a diagnosis (which my doctors have informed me is NOT best practice), we moms today are living in a blessed technological age. Of course there are rough days, especially this past year with the pandemic, but it is not hard to appreciate the modern benefits of living in 2021 - especially having a vaccine readily available for a pandemic that began just over a year ago.

Lately my mind has taken me to wondering about what motherhood must have been like for Mary. Not only was she a young, first-time mother, giving birth without any medical attendants, but she was also giving birth to the son of God. A teenager and her husband being given the role of raising the boy, then man, who would change the world and begin the world's largest religion. Doing all of this in an era that had no knowledge of bacteria, viruses, and where only 30% of children survived. I cannot imagine the responsibility she felt, and the panic that might have set in with every bump, bruise, fever, and cough. Yet despite the 2000 years that have passed, I also see the commonality between all mothers - the pride in their children, the honor and joy of watching them grow, that threads through the ages. One of my favorite Bible verses is found in Luke Chapter 2, which describes the events of Jesus' birth. Verse 19 says, "But Mary treasured up all these things and pondered them in her heart." Mary's humanity and love of her new child are evident in these words, and resonate no matter what culture, or place, or time we are living in.

## Pentecost Sunday Worship, May 23, 2021

After thoughtful conversation in the Worship Team and Covid Team, in hope and joy we invite all who wish to join us for Worship in-person in the church yard! This will be our first in-person Sunday Worship since last March 15, so we want to provide some information well ahead of time.

The most important thing to keep in mind: a hallmark value of our return to in-person gathering will be mutual respect for the choices, vulnerabilities, and concerns of the community and its members.

If it is right for you and your household to join us in person, we are thrilled to have you!

If you choose to join us on Zoom, here is the Zoom information:

### Join Zoom Meeting

### Dial From Any Phone

312 626 6799

Meeting ID: 278 217 453

Passcode: 971744

Registration will be required for in-person Worship, so that we know you are coming and can plan a space for you in the church yard. Follow this link to register: <https://www.signupgenius.com/go/30E0C45AEA828AAF58-pentecost>

- Spaces for households will be clearly designated, allowing for different size households, and for space between each household for social distancing.
- Masks are required, except when reading for the service.
- Please arrive by 9:15 if at all possible, to allow for time to find a space and settle in.
- Please bring a blanket or towel or chairs to sit on, and if that is a challenge, please just let an usher know when you arrive that you need a chair and they can provide one for you.
- We will celebrate communion! Each person/household is invited to bring their own communion for the service, but if you arrive without just let an usher know and they can provide bread and wine for you.
- We will have music, of course, and invite you to sing loudly and boldly in your heart and spirit, but refrain from singing aloud.
- Bathrooms will be available as single-use spaces, and ushers will help you know when there is a bathroom available for you and your household.

Reflect in these days leading up to Pentecost on how you have seen God at work in the last year, the losses you are grieving, and the gifts you see emerging from this time of exile. The Spirit has been with us all through the journey, and we celebrate her presence especially on Pentecost!

# Stewardship & Offerings

We continue to worship and reach out to people in different ways than we're traditionally accustomed. Staff and members are reaching out proactively to make sure everyone in our congregation is cared for, and connected, as much as possible. We are re-imagining ministry! Now more than ever, it takes all of us to make that happen.

We can continue to fund our church and the important work we're doing with a few easy clicks:

1. Visit [our donation website](#) directly or go to [www.christwg.org](http://www.christwg.org) and scroll down to the 'Give Now' button.
2. You may make a one time or recurring gift. There are NO FEES to withdraw directly from your bank account. Fees do apply for debit/credit card transactions.
3. Optional: set up a profile to be able to change your recurring gifts at any time or view your giving history.
4. Want to walk through the steps with someone? Contact Kate Hoerchler, 314-805-1751, [katehoerchler@gmail.com](mailto:katehoerchler@gmail.com)

If you prefer to make your offering by check or cash, there are mailing envelopes included in your offering envelope package.

All are welcome to join us. Just have one or more bibles with you, and plan to enjoy the discussion. Face masks will be required for the participants, and those who are unable to meet in person will be able to join us via the Zoom connection that is posted at the church's website.

Hello church family

Our neighbors at the Mead Center, L'Arche, are gearing up for one of their big fund-raising activities of the year: Breakfast with Friends. Like everything else, this year's program will be virtual. It runs at several different times during the morning and then again in the evening on May 27th. The breakfast is a really nice program that gives an overview of who L'Arche is and what they have been up to the last year. Because of our connection with church, I would like to formally invite our Christ Lutheran family to attend. All you need is a computer or smartphone, and an internet connection. A donation is not required to register or watch the program! Please follow this link <http://larchestlouis.org/breakfast> to register. Of course, if you have any questions, don't hesitate to email me ([jesse.helton@slu.edu](mailto:jesse.helton@slu.edu)).

## Recognition of 2020 Graduates

In the craziness of the pandemic, many of our normal activities were influenced! We realized recently we did not celebrate the class of 2020. We want to correct that and invite our members to send us information about their 2020 Graduate. Please email Lisette at [office@christwg.org](mailto:office@christwg.org). Thank you!

## Weekly Altar Arrangements

The schedule for the next few months, following Easter, is below. If you would like to contribute for a particular Sunday listed, please let the office or Nancy Lissant know which Sunday and the occasion for the flowers. The cost per Sunday is \$40. Until we meet in person at Christ, the flowers will be delivered to members who are ill, recovering, or homebound.
