

ONE IN CHRIST

Week of February 7– February 13, 2022

A NOTE FROM OUR COUNCIL PRESIDENT

Hi Church family! I just wanted to say how thankful I am to be able to serve our congregation and the community as Council President.

A little about me - my husband Dan and I became members of the church in 2010, were married here in 2011, and have had both of our daughters (Alexa, 7) and (Catherine, 4) baptized here. It has really become a home for us - we've met so many dear friends through the church and love the community it gives people in all stages and walks of life. Our family are proud Webster residents, living close to several fellow CLC families in Tuxedo Park - Alexa attends Avery Elementary. Professionally, I lead a team of associates in the Enterprise Communications area of Edward Jones, the locally-based financial services firm.

So what am I most excited for in 2022? Strengthening our connections with each other and our community in new and meaningful ways. We have done such a nice job using Zoom and other ways of worship and fellowship over the past two years - but I hope we can start to find more ways (virtually or in-person) to work together towards the goals we set as a congregation.

And we have so much to learn from each other! I look forward to talking with many of you in the near future to hear more about what you need from the Christ Lutheran family and how Council can help. Feel free to reach out to me at jessicalgunther@gmail.com anytime.

United in Christ,
Jess Gunther

New Book for the Race Book Group

The Sum of Us: What Racism Costs Everyone and How We Can Prosper Together by Heather McGhee

Please join us for a communitywide book study organized by the Alliance for Interracial Dignity and the Webster Equity Bridge. McGhee's book digs into policy and people's mindsets, arguing the idea that the country has fallen into too much of a zero sum game thinking that if one racial group succeeds too much then another fails. She argues that white people in addition to minorities have suffered due to racist policies and when all races are included and supported in policies, all races benefit.

We will discuss the last 5 chapters at our next meeting on February 22 at 8 pm via Zoom.
